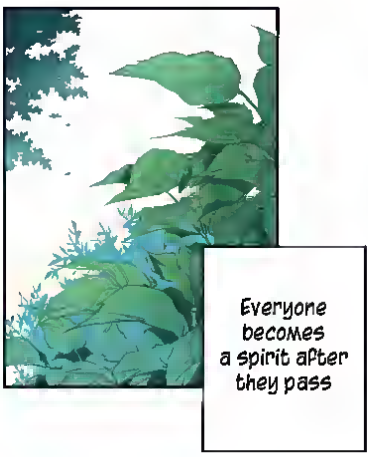
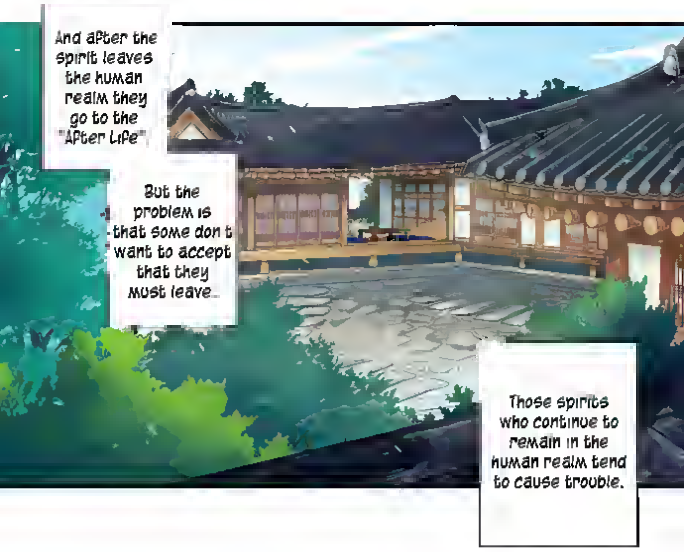
My plans are still underway..



Everyone becomes a spirit after they pass



And after the spirit leaves the human realm they go to the "After Life"
But the problem is that some don't want to accept that they must leave.
Those spirits who continue to remain in the human realm tend to cause trouble.

"Faust."

The First time
I Met Mephisto...

He asked me
one thing.

There's just one thing I want to ask of you
?
Have you
Heard of man named Faust?
Fau...st...?
I know I've heard that name from somewhere... where... now where was it?
What? you don't know?
Ah!
Oh?

The Novel
Faust?

Novel?
Faust?

Ah, really?
There's a novel about me and Faust?
Ah.. Well, you see..
It's just a book with that title. I don't really know for sure

Alright.
Find me that book.
Eh?
M... Me?
Why? You don't want to?
Ping
Ahahaha.. I didn't mean that.
I'll bring it tomorrow.
Right
And I'm saying this just in case.
If you run you're..
DEAD

I'm so dead.
He'd definitely be a devil. Without a doubt.
Mephisto
Waited 500 years for Faust to renew their contract.
Kii~ A devil painstakingly searching for a human.
I feel sorry for this 'Faust' guy.
Does this also tell me where Faust is?

No, there's only a story on there.
Remember it's just a novel.

Is that so?
I wonder if it'll be fun.

Here.
Huh? Why are you giving it to me already?
You're not reading it?

STORY: KIM EUN-HYO
ART: KIM YEONG-JI

FAUST
Goethe's classic Masterpiece, Faust..
The devil Mephistopheles and the human Faust, under a contract, placed a bet...
The bet was to see if Mephistopheles would be able to completely corrupt a human being...
So the confrontation of the devil and the human took place...
Mephistopheles did everything in his power to corrupt Faust.
Youth, beauty, marriage, and victories on the battlefield. He made all these things possible For Faust.
But, despite all of his attempts... Corrupting Faust proved to be far more difficult than it seemed.

500 years!

I've waited 500 years for that jerk to be reincarnated.
That guy is definitely somewhere in this city!

Do you really think he'd be here?
Without a doubt!
I can feel it!

Who do you think I am?
I'm the devil among devils, Mephisto!
Ah that's me!
What the centuries-old scheming is all about...

Time, God's most intimate timing
It isn't a work
Deceiving God's eyes

In that brief moment, the two people in front of me were to be mine forever!
I got him good~

Hey... It's not me, is it...?
Turns
Yup, it's definitely not you.
Fauss wasn't as oblivious as you
"Angle" Egon-ik

OKAY!
I'll find that jerk and take my rightful place as the victor!
Pose

UUOOOHHHH
It's a big relief that I'm not that guy...

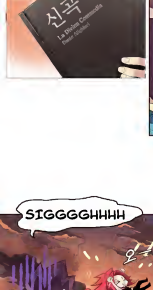
But I'm relieved now, since the human world is so wacky

I was bored 'cause I didn't have anyone to talk to.
I'm pretty lucky to have met you!
Hilarious!
I think I'm pretty unlucky...

All the medicines and exorcisms I've seen have been avoiding me on purpose, you know.
I think I would have done the same had I known you were the devil too...

SUDDEN
Oh, and the book you just read me. It's pretty good.
Do you have any others like it?
Uh, I don't know. I'm not really fond of books...

Then find another one and bring it to me.
Huh?
It... right now?
Why, you don't want to?
I'll be right back.



DOO
NG
신곡
La Divina Commedia
Dante Alighieri
PROOP

SIGGGGHHHH
In the end I read him half of the Divine Comedy.
No, that was entertaining!
This book's pretty good too. It's even had some gags I know.
Uuh... I think my tongue hardened with all this talking...

I was wondering why humans were showing up in the "afterlife" sooner than they were supposed these days.
They must've grown curious after reading books like these.
Huh?
Are you talking about living people?

Yeah, ah, exorcists and mediums. Those kinds of people.
They come pretty often I guess they're really curious.
I can't get what they're so curious about though. They'll end up there when they die anyway.
Ah ha ha ha...

But is that all there is to the book?
It doesn't show much.

The "After Life" is tremendously big
And it's always changing.

It's like space and no shape is set.
Because of the ever-changing winds, no one knows the world of the After life completely.

Not even me.
That's why it's such a fun place.
'Cause it's always changing.
...

The... After Life...

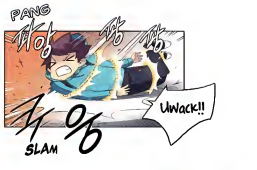
How's living over there?
Aw.
Well, I'm a devil so I can fight as much as I want there... So it's pretty fun.
But it's pretty bad for the weak ones.
It's probably the same for all the strong guys!

Eternal Hell...
That's what they say about it.

GRAB
I BLOCKED IT...!!

...you bitch
Ah, THAT'S

BINDING



PANG
SLAM
UWACK!!

This is a warning...
TAK

You followed me around and interfered with my work yesterday.
and today you come in late?
Yo...h, you should come home earlier!
Wait, that's unsure...
I was hanging out with my friends and I lost track of time...

You're seriously going to use that as an excuse?
Yeah, are you bidding me?
U-... no, that's... really...
Who the heck does that piss him off...

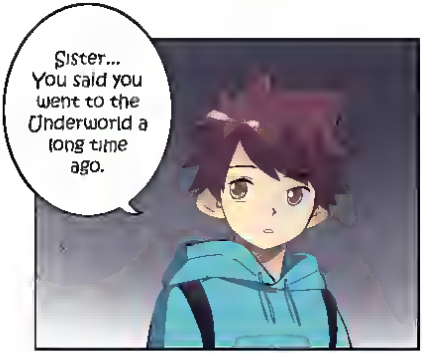
03



Sister... You said you went to the Underworld a long time ago.

So I was wondering if you had seen a devil up close...
...Yes.
I have seen one.

A devil...
Is one of the strongest beings in the Underworld.
And...
They are the ones who challenge the power of God...

It's very dangerous to be affiliated with one.
Especially with one of the "Archdevils", which should be avoided at all cost.

The only reason I was able to come home alive after facing devils...
was because I was lucky.
...MY SISTER IS FAMOUS FOR HAVING ONE OF THE BEST PHYSICAL CONDITIONS IN THE WORLD

IF EVEN MY SISTER HAS PROBLEMS WITH DEVILS...

I GUESS... RUNNING AWAY IS NOT AN OPTION...
ANNOYED
MWAHAHAHA

But why did ask that all of a sudden?
Is something wrong?
N..No.. Just...
?
HEHEHEHE
Hey...
WHY DO YOU KEEP PRANCING AROUND MY SISTER...!
EH?!

BUT DEVILS ARE UNABLE TO LEAVE THE UNDERWORLD

EVEN IF THEY DID LEAVE, SI-HUN SHOULD BE FINE

Mephisto.
Where are you?

...?

Did he go somewhere?

Hey.

Huh... Why are you hiding in here?
SHHH!
HEY, SHUT UP!! THOSE GUYS ARE ABOVE US RIGHT NOW!
ABOVE ...?
!

FLAP
FLAP

Azrael.
AZ...RAEL?
HEY! STOP LOOKING!
IF I GET CAUGHT I'LL HAVE TO WASTE MY ENERGY!
O...Okay

THE AZRAELS...
I'VE HEARD ABOUT THEM BEFORE FROM MY SISTER.
THEY'RE THE ONES WHO KEEP ORDER IN THE UNDERWORLD...
SHE SAID THEY DON'T COME TO THE HUMAN WORLD..
TSK—
WAIT...!
MAYBE...

TO CAPTURE
MEPHISTO..?

...THEN
IF I CALL THOSE AZRAELS RIGHT NOW THEY'LL CAPTURE MEPHISTO AND TAKE HIM BACK!
THEREFORE, FREEDOM AT LAST...?!

Tsk,
Those worthless flies sure make things annoying
Huh?

Hiding is not my style,
But if I kill those guys now I won't be able to find Faust.
...
SAY WHAT ?

...Hey, Mephisto.
You came from the Underworld, right?
Why are you asking such a dumb question?

I heard it was extremely hard to come to the human world from there
You wouldn't be able to get past with normal conventions...
Really?
I just broke through everything

And I beat up the stupid Azreals that came flocking towards me.
DAMN I'M GOOD
HUH...?!!
About... A few hundred of 'em?
It was annoying, but it wasn't hard at all
Those minions...

To a "Archdevil" like me, they're just annoying flies.
If it wasn't for Faust, I would've gotten rid of them immediately...
SH SH SH SH SH

Can't do anything about it. I'll just have to wait until I find the bastard...
CRACK
WHAT IS THIS FOG...?
SH SH
SH SH

EH,
MY FOG!
SFX SUCK IN
흐읍읍읍읍~읍
HE'S SUCKING IT BACK IN?!

Whew, I got too excited. Almost got into trouble there.
WHAT ARE YOU DOING?!

THINKING ABOUT IT, I JUST REALIZED THAT MEPHISTO IS ONE OF THE "ARCHDEVILS" MY SISTER MENTIONED...
SO EVEN THE AZREALS AREN'T A MATCH FOR HIM...

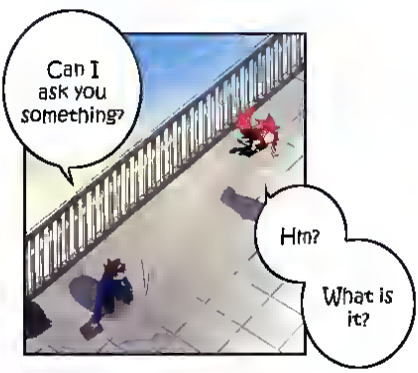
DEPRESSED
But... I can't find Faust.

DEPRESSED...
Maybe .. He knew that I came here...?
HMM?

Hey!

The Azraels finally left!
Now, shall we read some more books~?
STRETCH
THERE MUST BE A WAY TO ESCAPE... DON'T GIVE UP...

It's finished....
SIGHHHHHHH
Hey! That book was really interesting!
I feel really great!!
YAY-
MWAHAHA
Hey, Mephisto...



Can I ask you something?
Hm?
What is it?

Why are you looking for Faust?

To wait 500 years for his resurrection...
To take on the Azraels and come to the human world...
Is he that important?
SH
SH
SH

SLIDE
...Hm.

Down there... Do you see that?
...?

Look.

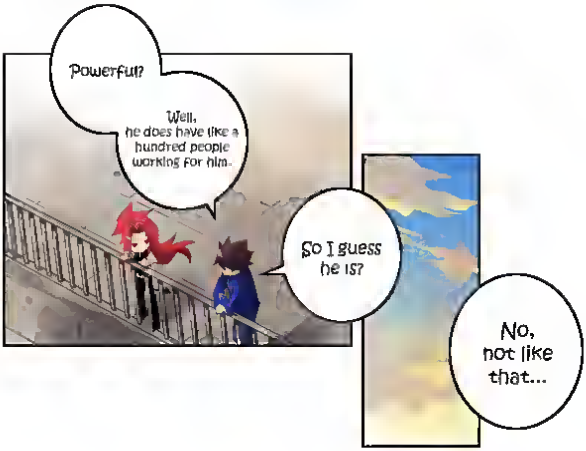
Why are those humans being so obedient to that other human?

Mm...
He is old, and looking at those people... I think he's the CEO?
CEO?

Yep, a CEO is the highest ranking person in a company.
And those other people get paid to work under him.

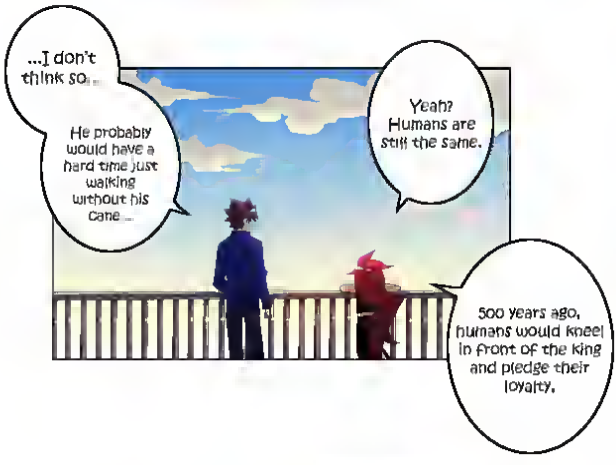
Is it like a king in the older days?
Well, this isn't a kingdom—
But you can say it's similar

Is that human powerful?



Powerful?
Well, he does have like a hundred people working for him.
So I guess he is?
No, not like that...

That human. does he himself have power
...?



...I don't think so...
He probably would have a hard time just walking without his cane...
Yeah? Humans are still the same.
500 years ago, humans would kneel in front of the king and pledge their loyalty.

And it's exactly the same.

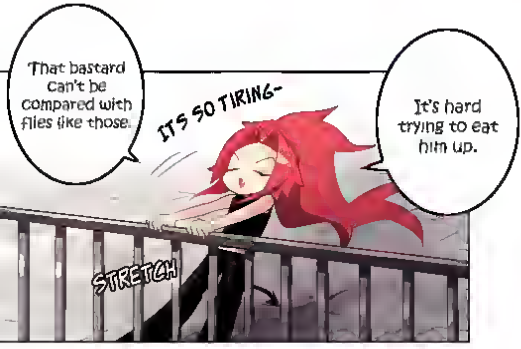
Humans are weak.

Because they are weak, they move in groups.
And the leader who is in control of the group
comes to believe that the power of the group is all his.
He forgets that he is only one human, a weak entity.

When he ends up alone, it's the same for that guy.
He can't do anything
Isn't it stupid?
I think he's still just a normal human.

Annoying humans like those are easy prey for me.
I bet he'll pee his pants if I scare him even a little.
MWAHAHA
SHAKE
THE FACE OF A DEVIL!

But Faust is different.



That bastard can't be compared with flies like those.
ITS SO TIRING-
It's hard trying to eat him up.
STRETCH

JUMP

SH SH SH-

So I'm trying to make another contract with him.
This time, I want to definitely prove it
without the interference of Grell

To prove that no human can escape the wrath of a devil!

HAHAHAHAHA!

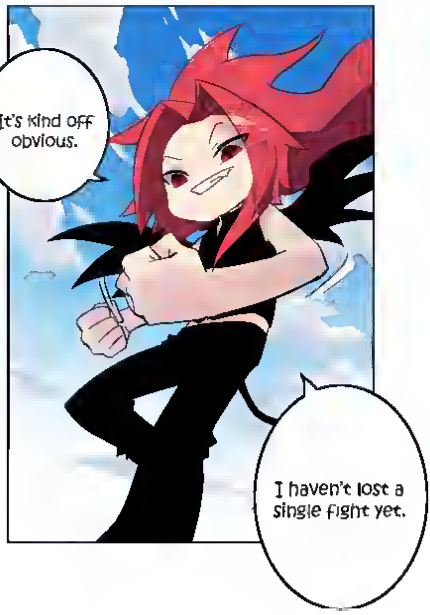
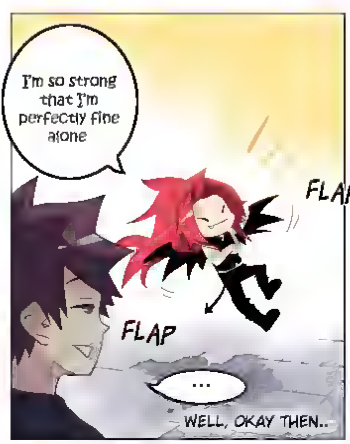
Powerful...?
What about it?

Mephisto, you said you were powerful, right?
Yep



It's kind off obvious.
I haven't lost a single fight yet.

Alone?
Don't you have any friends?
Friends?
I don't need that crap
It's only the weak that go around in groups



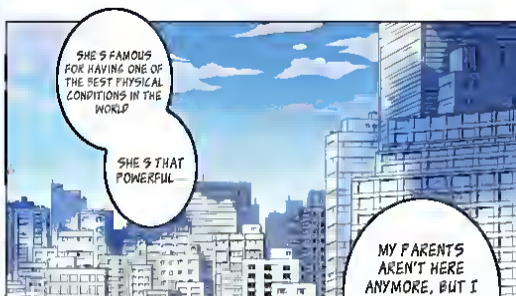
I'm so strong that I'm perfectly fine alone
FLAP
FLAP
...
WELL, OKAY THEN..

Why? Do you have something else to ask?
LEAN
Uh... yeah

BEING POWERFUL,
WHAT DO YOU HAVE TO DO TO BECOME POWERFUL?

?

...YOU KNOW, MY SISTER



SHE'S FAMOUS FOR HAVING ONE OF THE BEST PHYSICAL CONDITIONS IN THE WORLD
SHE'S THAT POWERFUL...
MY PARENTS AREN'T HERE ANYMORE, BUT I HEARD THEY WERE REALLY STRONG TOO

But I don't have any power.
I have nothing.
I do everything my sister does, but I still can't be like her.
CLENCH
I don't know.
Maybe I just don't have the potential.
...

Hmmm
I guess weaklings have a lot on their minds.
SCRATCH

ANNOYED
SORRY FOR BEING A WEAKLING!!
My answer is that I don't know.
I've never been weak before.
GROWLLLLL

But...
I've never thought of you as weak.

There hasn't been anyone who's talked to me for so long before.
Most others run away or try to kill me.
There hasn't been anyone as bold as you.

Wh- What about Faust?!
That bastard's no fun at all-
STAND UP

Saying that he's a professor or whatnot, always reading the most boring books...
Pretending to be smart and educated, while he has absolutely no sense of humor!
He's a really boring and annoying human.

Whenever he's next to me, regardless of the contract,
I always want to make that high nose of his flat
ANNOYED
I really want to break that annoying ego of his!

But you...
I think you're a little different.

You're not afraid of me, like Faust,
LEAN
And you don't detest me for being a devil.

You're very fun.
I think I'll be entertained for a while!

GRIN

Wait, Mephisto.
I'm still not even a medium...
You wanted to be powerful, right?
Then you might as well get some experience by fighting a strong guy like me.

If you die in the process, that's not my fault.

THAT'S WHY I DON'T WANT TO~!!

OKAY, OKAY.
I'LL GO EASY ON YA

IT WAS ABLE TO STOP MY FLAMES FROM CONSUMING HIM...

Hey, you!
What's with this talisman?
Talisman?
What talisman?

Was that thing inside me?

WHAT THE... HE DION'T EVEN KNOW THERE WAS A TALISMAN IN HIM..?
THAT MEANS ANOTHER PERSON PUT IT INSIDE HIM

Hey, what was your name again?
ANGER

I already told you this!
What about your family?
I have one older sister...
And my parents died in a car crash not long after I was born

What are their names?!

My father Jin-woo Cha, and my mother Min-ha Oh
WHY ARE YOU SUDDENLY ASKING THIS?

THEN...
THIS IS THE SON OF THOSE PEOPLE IN THE UNDERWORLD...

I'M SO GRATEFUL FOR YOUR KINDNESS I'COULD CRY...

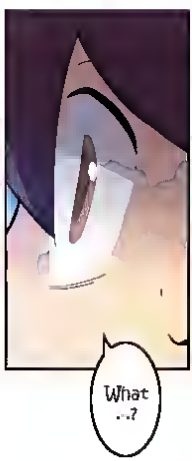
SFX WHEW~

And...
Because you've been entertaining me until now
GRIN
I'll tell you something interesting.

In the Underworld...

I've met your parents before.

...



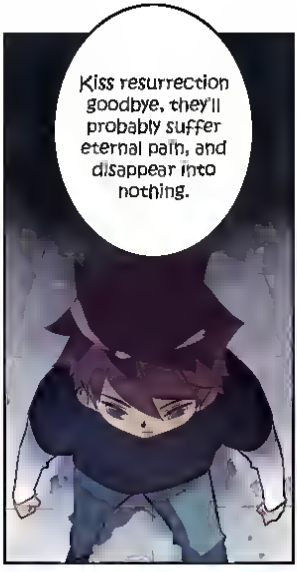
What ...?

MY PARENTS?!
YOU'VE REALLY SEEN THEM?!
Yeah, they're pretty popular down there
I've seen them a couple of times

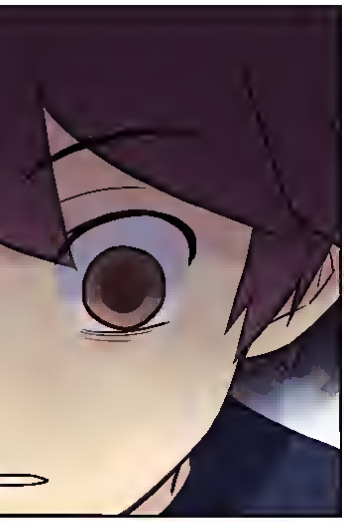
TELL ME MORE!!
Well, it's not like I know a whole lot.
But there's one thing that's crystal clear.
...?

The souls that end up in the Underworld have only one goal...
To be resurrected.
But that's absolutely impossible for your parents.
Both of them have made a contract,
With the vilest creature in the Underworld.
Contract?!

I don't know what that creature is.
But I do know that it's worse than devils.
It's probably not going to go well for either one of them since they've made a contract with it!



Kiss resurrection goodbye, they'll probably suffer eternal pain, and disappear into nothing.



MY MOM..
AND DAD...

ARE GOING TO
SUFFER ETERNAL..
PAIN....AND THEN
BECOME NOTHING..?!

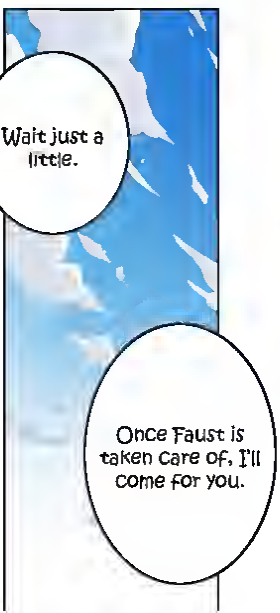
But one more thing...
LIFT

PO-
INT
...?

I've taken a liking to you.

Once I finish my contract with Faust
I'm making you my next target.

M...Me?



Wait just a little.
Once Faust is taken care of, I'll come for you.

Let's have a lot of fun later!

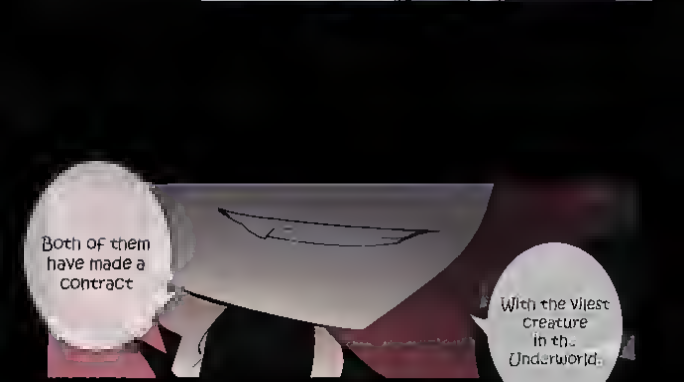
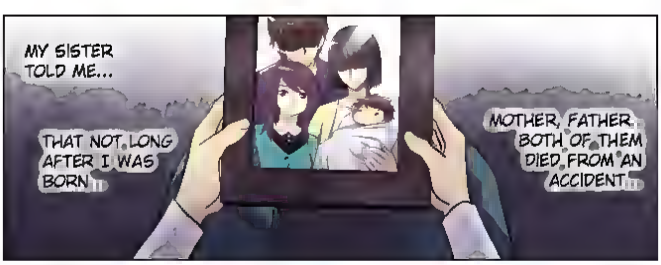
In the Underworld
I've met your parents before

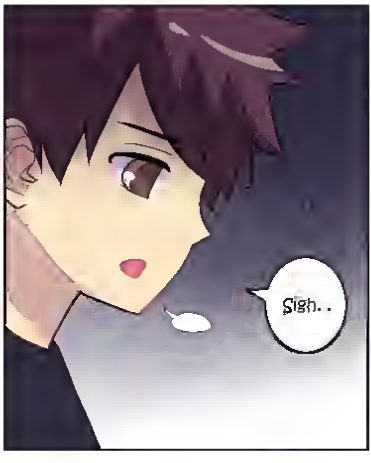


Both of them have made a contract
With the vilest creature in th.. Underworld.

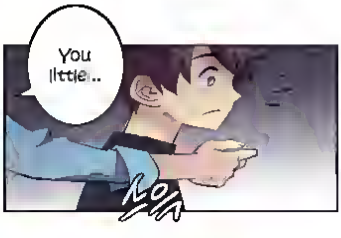
I don't know what that creature is
But I do know that it's worse than devils.
It's probably not going to go well for either one of them since they've made a contract with it!



YOUR PARENTS WILL DISSOLVE INTO NOTHING...



Sigh. .



You little..
NO!!

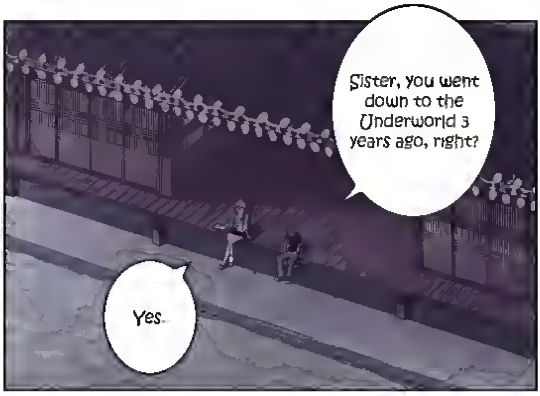
Why are you sighing?!
CHOKE
ACKKK!!
GAHH
KICK
KICK

Cough cough~
I thought my throat was going to snap...
TUCK
COUGH
COUGH
That's because you shouldn't be all moody like that!

Si-hun, is there something on your mind?

And why are you holding Mom and Dad's picture..?
GRAB
Oh.

Is it really puberty?
Nuhuh
You don't need to know.
Really ...?
ANNOYED
CLENCH
So your big sister doesn't need to know~?
No, I'll spill



Sister, you went down to the Underworld 3 years ago, right?
Yes.

It has become quite common nowadays...
For a medium to go down to the Underworld.
It's like a tourist attraction that you might not ever come back from.
Why did you go there?

...

..Why do you ask?
Curiosity

I don't want to tell you.
Eh— That's not fair!

Did you happen to meet them down there?
Mom, Dad..

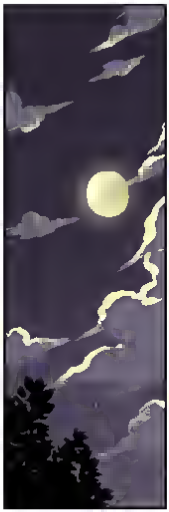
I've noticed that there was a talisman in my body...
Was that from Mom and Dad...?

How did you know about that?!
SURPIRSE
Oh, that...
It was just coincidence

Really....
Just coincidence...

...

I KNEW THAT SOMEDAY
SI-HUN WOULD LEARN ABOUT ALL THIS...
BUT SO SOON..



That talisman...
Mom put it in you.

The protection talisman.
It's a very special talisman.
It's able to block out a spiritual attack.
Because both Mom and Dad were mediums.
they couldn't help but have a lot of souls around them all the time.
To protect you from the mean and evil souls...
They put it in you right after you were born.

And one month later.
I told you it was an accident...
But it was actually a big incident.
By pushing through the weak spots of the border between the human world and the Underworld...
A being that was not supposed to leave the Underworld traveled here, to the human world.
Our parents were the first to realize this problem, and rushed to stop him.
I followed them.
But...

That being had powers beyond your imagination..
Something I've never seen before... Something that was not supposed to exist..
A BATTLE WITH A BEING FROM THE UNDERWORLD...?!

I couldn't be of any help with my power, and could only watch...

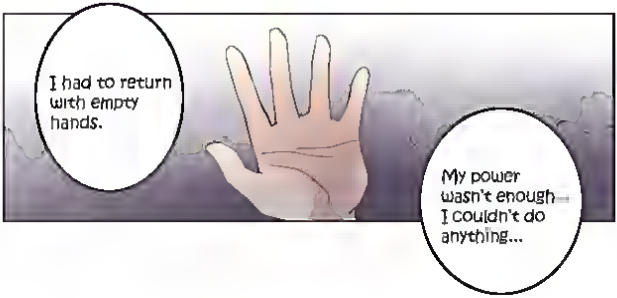
Mom and Dad did everything in their power to successfully returned it to the Underworld...

But something happened..., and both of them were dragged into the Underworld with it.

After that...
I studied on how to enter the Underworld
To find Mom and Dad...

But the Underworld is a vast and humongous place.
and it is filled with very strong creatures.
The Underworld also constantly changes, which made it very difficult for me to find my way

Did you find Mom and Dad?
No...
There were only a few places I could venture into...

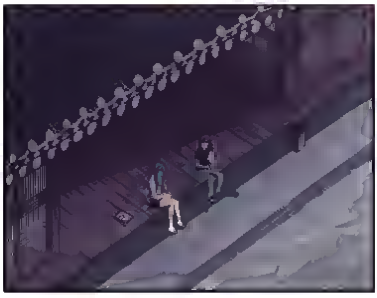


I had to return with empty hands.
My power wasn't enough... I couldn't do anything...

After that I never went back to the Underworld.
No, I never wanted to go back

So you cannot go in there Si-hun.

The Underworld is just another name for Hell.



If you really want to go, just die.
YOU CAN'T REALLY HELP IT
NO THANKS!

I LIVED...
THANKS TO MOM'S PROTECTION TALISMAN.
MEPHISTO SEEMED TO KNOW MORE ABOUT MY PARENTS...
THE UNDERWORLD...
A PLACE WHERE EVEN MY SISTER HAD TO COME BACK EMPTYHANDED...
THAT MEANS...
I...

FLOAT

SFX. APPEAR
What are you two talking about
While completely leaving me in the dark?

But miss, you look even more beautiful in the moonlight

SFX. PUNCH

I told you, you need to be on guard at all times.

C'mon, let's fight already!

Are you a foreigner? You speak Korean very well.
Thank you.

SEEING AS HOW THE BEINGS ORDERED TO PROTECT THE UNDERWORLD ARE HERE IN THE HUMAN WORLD...
THERE MUST BE SOMETHING UP.

PROBABLY...

THE ONE THAT IS ABLE TO DISOBEY GOD'S LAW AND COME TO THE HUMAN WORLD...
THE ONE THAT MADE A CONTRACT WITH ME IN MY FORMER EXISTENCE...
THE ONE THAT LEFT THIS BRAND ON ME...

HAVE YOU COME FOR ME...

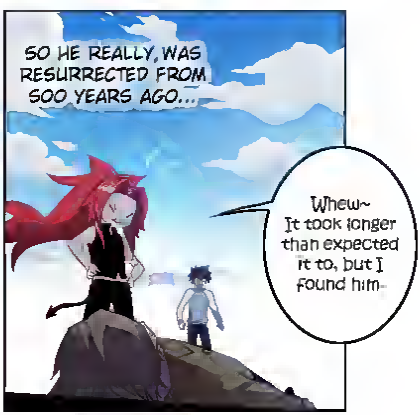
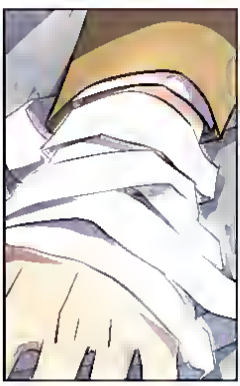
THAT'S THE PERSON FROM THE BOOK I READ,...
THE ONE WHO MADE A CONTRACT WITH MEPHISTOPHELES...?!



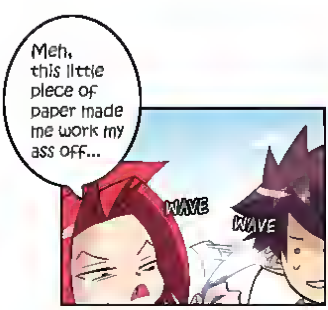
SO HE REALLY WAS RESURRECTED FROM 500 YEARS AGO...
Whew~ It took longer than expected it to, but I found him

I was wondering why I couldn't find him
But I found the cause.
Mmm

Look at his wrist.
...



That blocked out the devil's aura from my brand.
No wonder it was difficult to track this bastard down.



Meh, this little piece of paper made me work my ass off...
WAVE

SFX: SLAP

He's out cold?
Yep.
I think it happened while we were flying.

SFX: WOOSH
You mean, you flew here at the same speed you landed with...?
Yep.
I was a bit excited and went full speed.

IT'S A MIRACLE HE'S NOT DEAD.

ANNOYED
But why is this bastard not getting up?

Faust.

Mephisto...
Hey, you remember me?

You have the memories of your past existence?
Well, considering all the crazy shit we did together I'd be disappointed if you didn't remember~
I knew you'd be coming for me soon, Mephistopheles

Although it's kind off awkward after 500 years,
REACH
It's nice to see you again.

TURN

YOU'RE STILL AS FUCKING ANNOYING AS EVER, FAUST!!
Ah, you... You remember your past existence?
ANGER

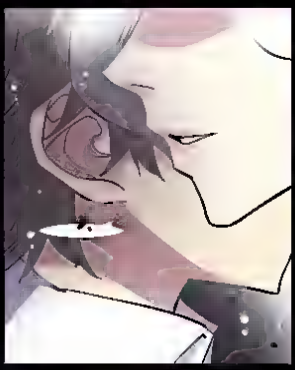
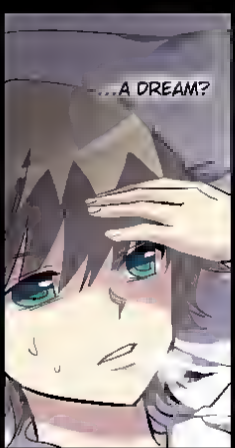
AND THEN ONE DAY...

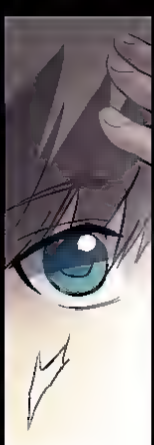
SLIDE

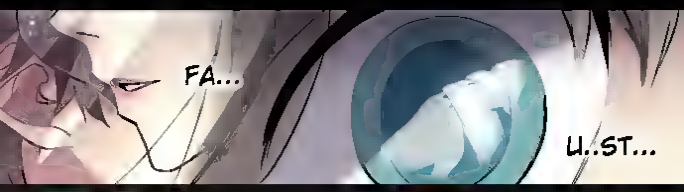


SFX: WAKE UP

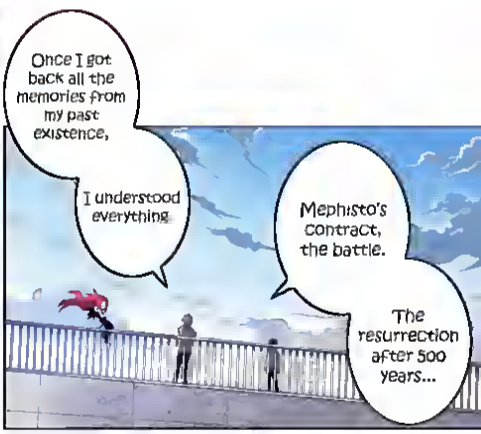


...A DREAM?





FA...
U..ST...



Once I got back all the memories from my past existence,
I understood everything.
Mephisto's contract, the battle.
The resurrection after 500 years...

The devil will definitely come back for me.
YEP.
YEP.
And... I will undeniably have to make another contract for a new battle...

After that, I traveled around the world getting ready.

Ready for the day when the devil would appear before me again...

GRIN

ALRIGHT!
SINCE YOU KNOW EVERYTHING, WE CAN GET THINGS STARTED!
SFX: FLASH
SFX: FWOOM

Now,
I present to you, the contract.
SFX: TA DA

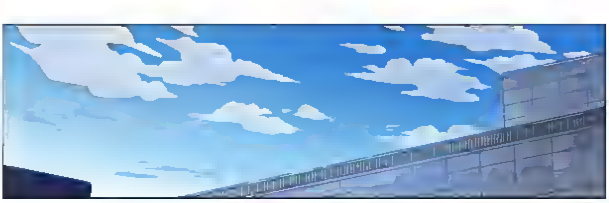
I've waited 500 years for this day.
You wouldn't go and reject me now, would you?!
You're not going to give me a choice anyways.

The devil who challenged God, Mephistopheles.

Arrogant Faust.

SPARK
SPARK

WOW THEY RE REALLY SERIOUS.
AWK-
WARD



Mephisto,
There are some things you need to know before we sign the contract.

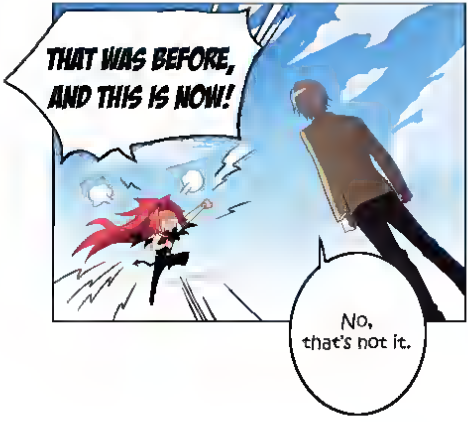
Things?!
What kind of things?
First of all, you did not find me
I came to you.

Mephisto, I knew you were here in the human world.
And I came to you because I knew you would be a threat to other humans.

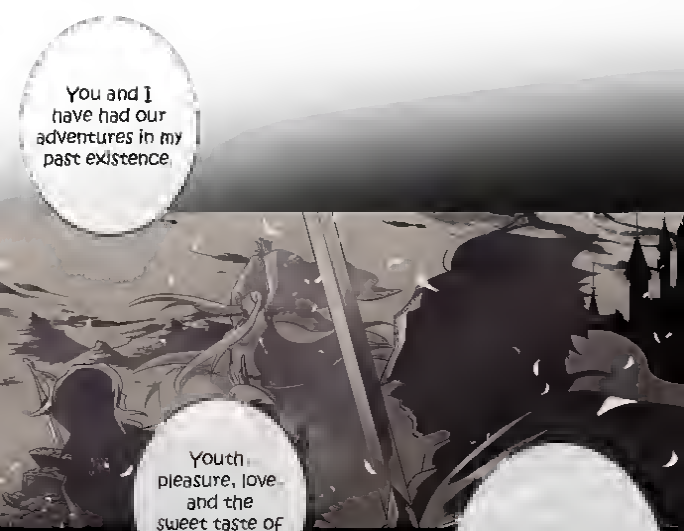
Yeah, whatever.
You did hide my brand really well with that piece of paper...
IT WAS SO HARD LOOKING FOR YOU~
And one more thing.
You need to understand this.

I will not comply to the devil's temptation.

ANNOYED
HAHAHA



THAT WAS BEFORE, AND THIS IS NOW!
No, that's not it.

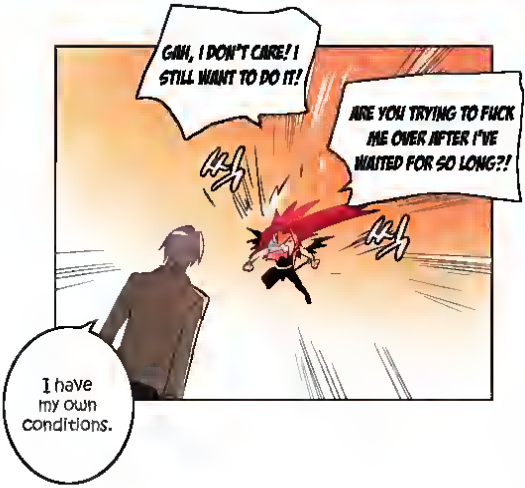


You and I have had our adventures in my past existence.
Youth, pleasure, love, and the sweet taste of victory.
You gave me many things, but none of those could satisfy me.

All of those experiences ended up being empty and hollow.

The only time I ever felt happiness was at the last moment of my life.
Working to make the land free for many people.
By working with those people, I finally understood.
To live a life for another, not for personal benefit.

And toiling to improve humanity is the only way to achieve satisfaction.

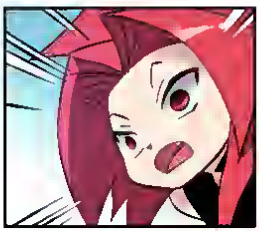


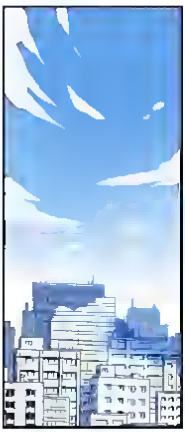
GAH, I DON'T CARE! I STILL WANT TO DO IT!
ARE YOU TRYING TO FUCK ME OVER AFTER I'VE WAITED FOR SO LONG?!
I have my own conditions.

CONDITIONS? WHAT?
In my past existence, the contract we made talked about having a devil make me fail.
But you did not submit to the results.

That's why I've decided to do the opposite this time.

To reform... I will reform the fallen you*.
*T/N: I KNOW IT SOUNDS WEIRD, BUT ITS THE DIRECT TRANSLATION.



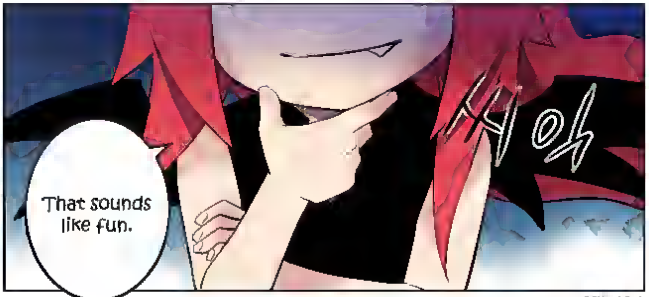


A human... reforming the devil?
Will you accept my conditions?

You want me to repent for my crimes?!
Not only that.
I plan to make you do many good deeds

W...WAIT! FAUST!

ARE YOU CRAZY, TELLING A DEVIL TO BE KIND?
THAT'S IMPOSSIBLE...
Hmm. So I'm not trying to make you evil.
but you are trying to make me nice...?!

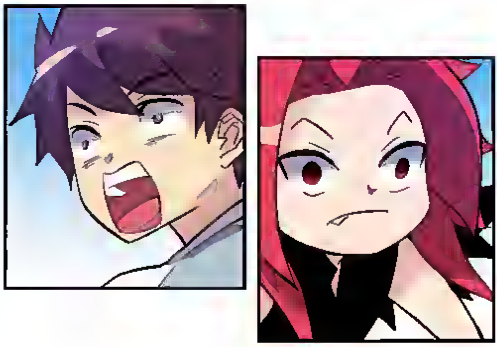


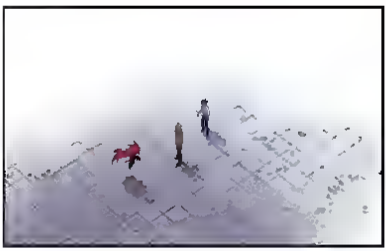
SFX GRIN

SFX CRASH CRASH

What shall I do with your soul and body?
Maybe go brag about it to my friends?
We haven't even started yet.
There's one more condition.

This match will not be carried out in the human world...
But in the Underworld.





GAAAH!!
THE UNDERWOOOOORLD?!

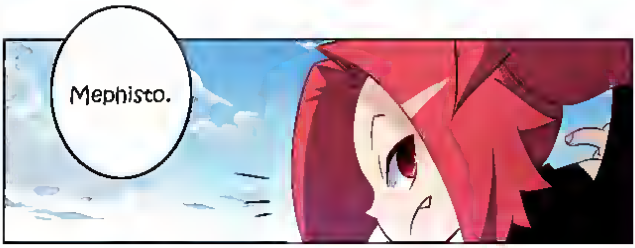
AW YEAH!!
THIS IS GOOD!! SUPER GOOD!!!
DANCE
DANCE
DANCE

HEY, FAUST!
A NORMAL HUMAN WON'T MAKE IT OUT OF THERE ALIVE.
IT'S DANGEROUS!
It's alright.

I am a human that has thwarted Mephisto's contract before
and I have been resurrected again.

I am confident that I will go undefeated once again.
STOP

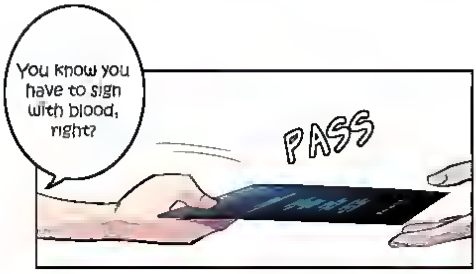
Devil dance
DANCE
DANCE
I'm going to kick you if you don't stop.



Mephisto.

Under these conditions, I will make a contract.
Do you accept?

Of course! It's like I've won already.
Let's do this already!
SFX: VWOOM



You know you have to sign with blood, right?
PASS

Oops,
I almost
forgot.

Hey,
Si-hun.
Come over
here.
WAVE
WAVE
...?!
Yeah, you.
Come on.

To make a
contract,
we need a
'witness'.

When me and Faust made the contract last time,
that blessed bastard up there was the witness.
...

I didn't hear that.
Me neither...

But this time...
I'm not going to let that unfair God be the witness.

SO!!
SI-HUN!!
YOU'RE GOING TO DO IT!
SFX: TADA

WH...!
WHAAAAAAT?!!

You are to be the 'witness' of this contract.
Also...

You're going to be the 'judge', too.

Faust,

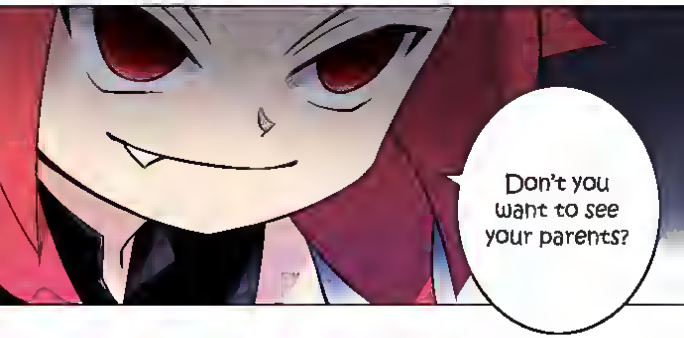
And, Si-hun

You wanted to go to the Underworld anyways.



Don't you want to see your parents?

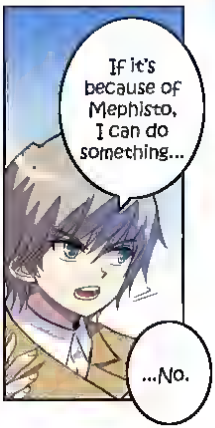
I guarantee that your parents won't be getting out of that monster's clutches alone.
It's really powerful.
Even I don't know who exactly it is.

If you really don't want to, I guess I could just carry you there...
AND THERE'S ABSOLUTELY NO OPTION OF NOT GOING...
...Alright. I'll do it.

GRIN

MEPHISTO!
WAIT...!
It's alright.



If it's because of Mephisto, I can do something...
...No.

It's my problem that Mephisto wants me to be the judge, so I should solve this on my own.
And...

Like Mephisto said, my parents are in the Underworld.
It's probably true that they are in danger.

I want to go.
To the Underworld...

GRIN
...SO IT'S LIKE THAT?!
NO WONDER... I WANTED TO KNOW WHY I COULDN'T FEEL THE AURA OF MY BRAND ON YOU, FAUST...
YOU WERE COVERING IT UP WITH SOMETHING FROM GOD...
A HUMAN ABLE TO USE AN OBJECT FROM GOD...
YOU HAVE BEEN KEEPING YOURSELF BUSY THOSE 500 YEARS, EH FAUST?

You know....
I CALLED HIM INSTINCTIVELY TO STOP HIM B..BUT WHAT DO I SAY ?

SHOULDN'T WE GO TO THE UNDERWORLD WHERE THERE ARE A LOT OF STRONG ENEMIES?
HMMM

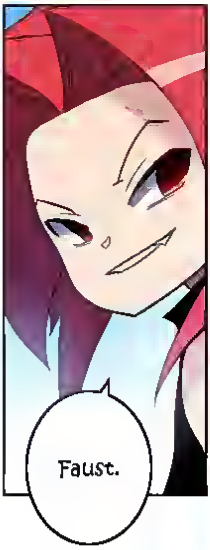
It won't take long getting rid of these guys.
No, wait not like that...
TURN

To be the winner of the contract, you have to do a lot of bad things.
So we should go to the Underworld ...
That's why I'm about to do a bad thing right now.
I can fight these guys first and do more later.

...!

Mephisto...

Do you really want to beat me?



Faust.

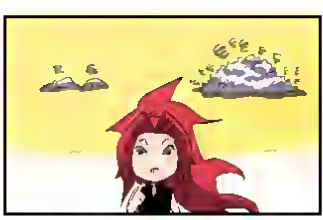
But of course.
I want your soul!
I will win after doing a lot of bad things.
Then I'll give you some advice.

Let those Azraels go.

LET THEM GO?! WHY?!
I HAVE TO GET RID OF THEM FOR IT TO BE A BAD THING!
No, you're only looking at a part of the whole picture.

If you let those Azraels go, they'll come back with backup.
Then a ton of Azraels will come at you.

Then you will be able to fight a mountain of them.
These two, or a few hundred Azraels...
Which one is more beneficial?



Oh!

What do you think? Judge.
Huh?!
HM-
HMMM-

Fighting a larger number of Azraels...
Wouldn't that be a lot more evil?

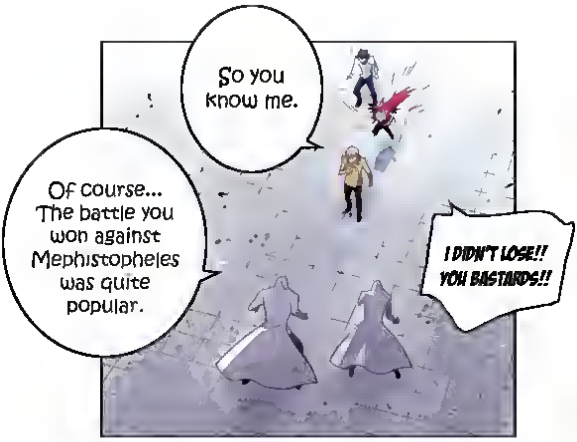
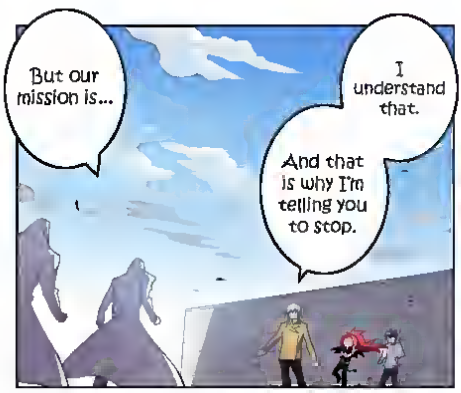
PLEASE, STOP!!

*T/N -NIM IS THE SUFFIX YOU PUT FOR SOMEONE OLDER/SOMEONE YOU HAVE RESPECT FOR/SOMEONE WITH HIGHER STATUS THAN YOU/ETC



So you know me.
Of course... The battle you won against Mephistopheles was quite popular.
I DIDN'T LOSE!! YOU BASTARDS!!

Jeez!! So annoying!!
ANGRY
ANGRY
Why do they all think that!!
Then you must know this as well.
That you two alone cannot take on Mephisto.



But our mission is...
I understand that.
And that is why I'm telling you to stop.

As Azraels, your missions are not to go head on against Mephisto; rather, you are just supposed to stop him.

If you two start a fight with Mephisto right now
You will not only put innocent lives at risk, but you will also be unable to stop Mephisto.

I have just made a contract with Mephisto.
The terms were that we will wage our battle down in the Underworld, and Mephisto has agreed to these terms.

I will take this Archdevil down to the Underworld.

Please, trust me.

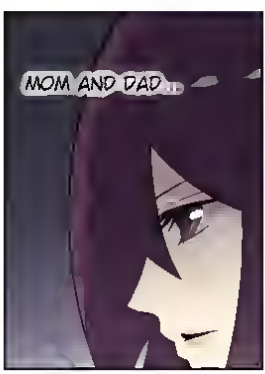
If what Mephisto says is true, we have to go as soon as we can to rescue them!



MOM AND DAD...

Anyways, Sister!

Me, Faust, and Mephisto...
We three need to go to the Underworld...
Right now the Azraels are all trying to get Mephisto...
Faust managed to buy us some more time...

But if we're too late, the Azraels will come back and a bigger fight might break out.

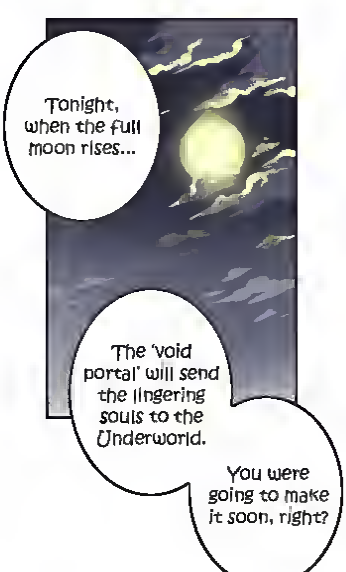
So...



Tonight, when the full moon rises...
The 'void portal' will send the lingering souls to the Underworld.
You were going to make it soon, right?

Hey...
Isn't your refusal a little too fast..?
A no is a no.
I'M NOT EVEN DONE TALKING...

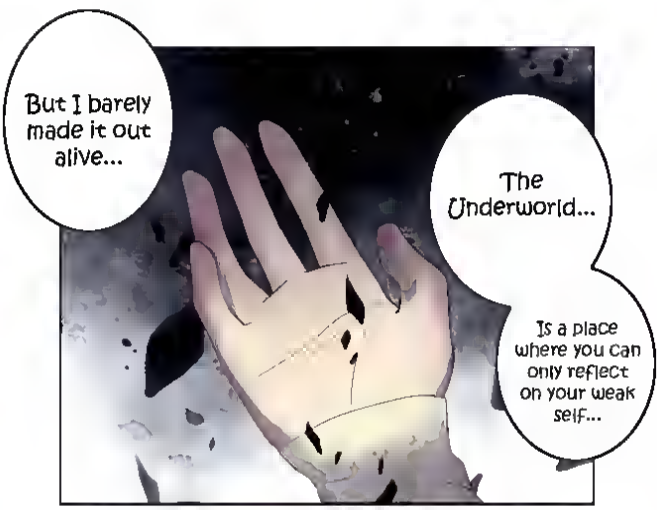
BUT, SISTER!
TO SAVE MOM AND DAD...!
I know.
That's why I went to the Underworld before.

But there are a lot of dangerous creatures in the Underworld.
I also wanted to save Mom and Dad..



But I barely made it out alive...
The Underworld...
Is a place where you can only reflect on your weak self...

Such a dangerous place... I can't send you there, Si-hun...

...

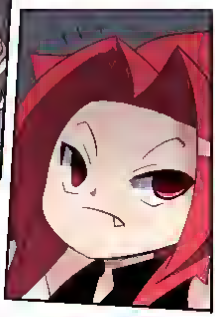
You...
Can I call you Faust?
Yes.

Then Faust, I have a question.
Can you change the terms of the contract?
Yes, it is possible.

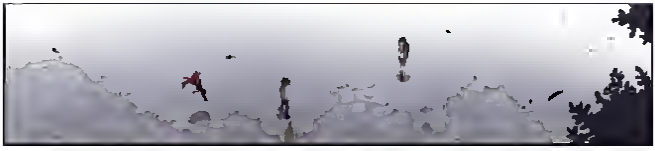
As long as all parties of the contract agree,
Changing the terms or even breaking the contract is possible.

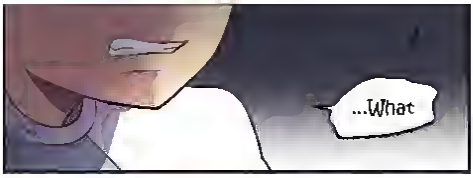
Then... Please do this for me.

Change the contract's judge...
To me.



I will go..
instead of
Si-hun.





...What

WHAT ARE YOU SAYING, SISTER!!
The majority of talented mediums and exorcists don't make it out of the Underworld alive.
And you're not even a real medium yet.

And you even have an Archdevil in your group.
It's way too dangerous.
You can't handle it, it's better if I go.

You're planning to destroy everything... There's nothing else though

That Mephistopheles... He really is a strange thing.
To make a binding contract to battle against a human...
Well, it's nice that he's not trying to kill us.
To maintain the contract, all parties must be alive.
...Right.
It was on my mind for a while now.
So you both can come.
I was afraid that weak Si-hun would die too quickly...
So you should contract as the replacement judge.

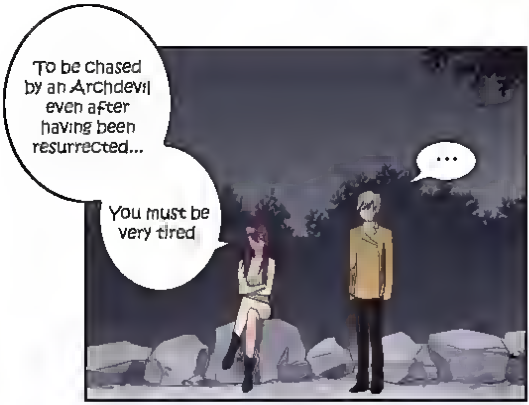
I can't believe that it's come down to this...
...I apologize.

I should've stopped Mephisto...
No, it's not like it was your fault...
Who can stop an Archdevil.

Faust, you said you were resurrected after 500 years?
Yes.



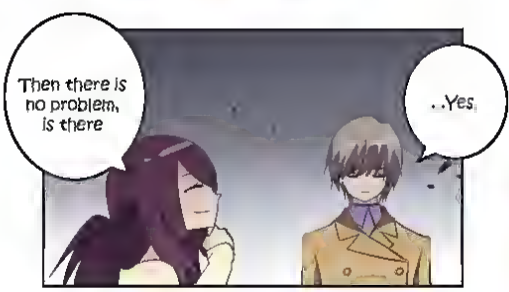
To be chased by an Archdevil even after having been resurrected...
You must be very tired
...

But... Well...
?

Does it not bother you... That I have been resurrected from 500 years ago?
I have lived much longer than you ..

So how old are you now?
?!

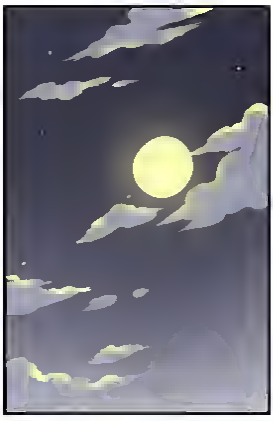
*T/N. YEARS ARE COUNTED SLIGHTLY DIFFERENT IN KOREA. YOU ARE CONSIDERED 1 YEAR OLD THE SECOND YOU ARE BORN(COUNTING THE TIME IN THE WOMB) SO FAUST IS ACTUALLY 14
In Korean age... I am 15*.
What, you are the same age as Si-hun~



Then there is no problem, is there
..Yes.

Be good friends with Si-hun.

...Yes.



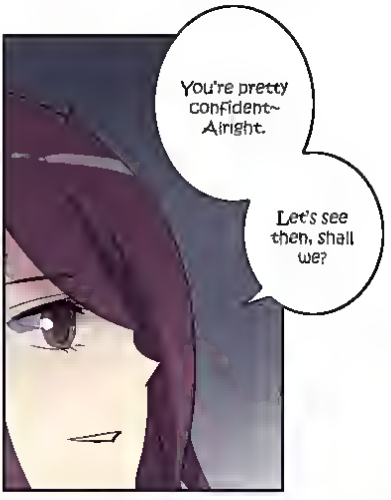
When our parents got pulled into the Underworld, Si-hun was still a baby.
So I had to raise Si-hun alone.
Si-hun is my only family member in this world.

So I will protect him no matter what.
Even if I have to trade my life for his..

Thinking about it...
Will you be alright, Faust?
I might not be able to protect you while having Si-hun to worry about.
And I can't fully trust that no-good devil either...

Then.. Would you like to see?
Huh..?

Even I might not be able to protect the both of you in a worst case scenario
So I would like to see your power in exchange for showing you mine.



You're pretty confident~ Alright.
Let's see then, shall we?

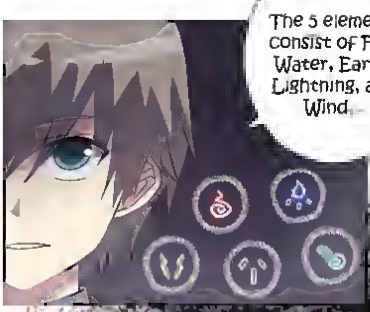
You shouldn't be disappointed, Miss Su In
It was a remarkable skill.

Mephisto is just special, any normal enemy would've been critically wounded.

You are able to use the 5 elements?
NOD



Each of these 5 elements have their own characteristics, allowing the wielder to perform unique skills...

The majority of people are only able to control one, with difficulty.

To be able to use all 5 one must be a very skilled and well practiced person.

It is the first time I've seen a medium... No, a human perform such a feat.

Really...? That does make me feel a little better.

It truly is a remarkable ability!

WOW!! FAUST!! SISTER!! BOTH OF YOU ARE AMAZING!!

WOW~
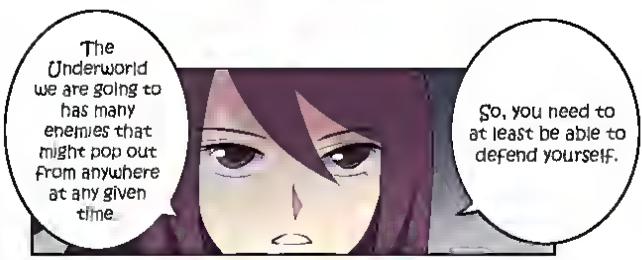
Uh... I know I shouldn't say this....
Yeah... My stupid brother is the burden of this team...

Si-hun, there is no more time now.

I'll explain this once, so listen closely.
Okay.



The Underworld we are going to has many enemies that might pop out from anywhere at any given time.
So, you need to at least be able to defend yourself.

Yeah, so?

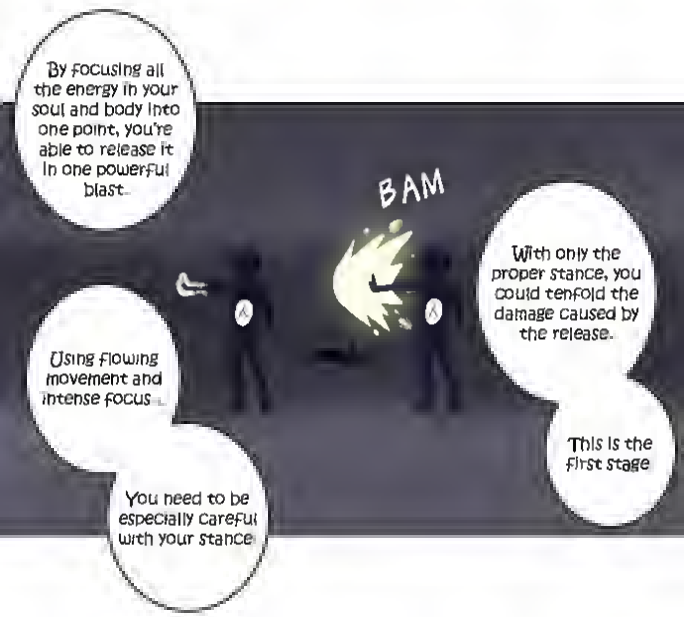
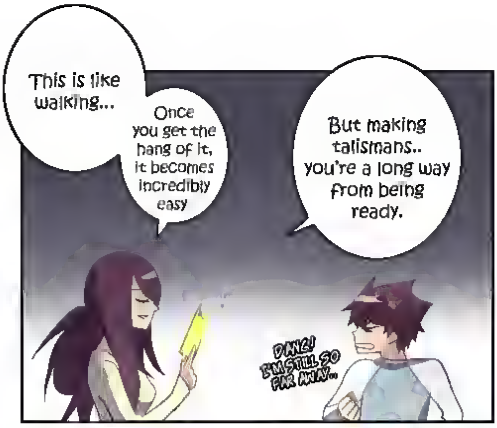
This is the 'Release' stage.



By focusing all the energy in your soul and body into one point, you're able to release it in one powerful blast.
BAM
With only the proper stance, you could tenfold the damage caused by the release.
Using flowing movement and intense focus...
You need to be especially careful with your stance.
This is the first stage

This is what beginners like you start with.
Try it with your fist.
Okay!



This is like walking...
Once you get the hang of it, it becomes incredibly easy
But making talismans.. you're a long way from being ready.
DANG! I'M STILL SO FAR AWAY...

ALRIGHT!
I'LL LEARN THIS EASY STUFF IN A FLASH!

First, make a fist...
